

March 2015  
Ritsumeikan University

To students,

Discontinuance of System to Withhold Sending Grade Reports  
to Guardians (Parents)

Ritsumeikan University sends grade reports to guardians (parents) twice a year (in April and October). If a student withheld consent for their grades to be disclosed to their guardians, grade reports were not sent to their guardians, and instead, guardians received a letter explaining that the student has submitted a request for nondisclosure of their grades.

However, starting in the 2015 academic year, the request is no longer accepted and all the guardians of current students shall receive grade reports. This shall comply with the form “Consent to Use of Personal Information” you agreed and signed at the time of admission procedures.
