## 2. New Student Orientation

Detailed information on the dates and venues for the orientation sessions can be found online on the Ritsumeikan University Graduate School Entrance Examination Information Website.

### Entrance Examination Information Website

Dates of website operation: Wednesday, August 23 to Friday, September 29

URL : [http://www.ritsumei.ac.jp/gr/en/announce\\_procedures/procedures.html/](http://www.ritsumei.ac.jp/gr/en/announce_procedures/procedures.html/)

### (1) Graduate School Joint Orientation \*Attendance is mandatory for all new graduate students.

Date and Time: Monday, September 25, 2017; 10:45 a.m. - 12:15 p.m. (Scheduled)

- Venue:
1. Suzaku Campus, The Suzaku Hall (5<sup>th</sup> floor)  
For those who enroll in Undergraduate/Graduate Programs in English. (Including students who entered school as GS, CRPS majors.)
  2. Suzaku Campus, Rm 203 (2<sup>nd</sup> floor)  
For those who enroll in Graduate Programs in Japanese.

This orientation provides important information necessary for all graduate students for their student lives. Information includes: facilities on campus, scholarships, harassment prevention, TA system, career path / job search, information systems on campus, library use, COOP etc.

\*Orientation materials and booklets on above listed subjects will be provided in a bag and given to all students.

\*If you cannot attend this orientation, you may receive the orientation materials at the administrative office of your graduate school at a later date.

### (2) International Student Orientation (International Students only) \*Attendance is mandatory for all new graduate students.

International student orientation and departmental orientation and registration guidance sessions will be held as per the below schedule. Please attend both International Student Orientation at your campus and the Departmental Orientation hold by the faculty you belong to.

| PARTICIPANTS   | PERIOD   | DATE, TIME and VENUE (Floor)                               |
|--|--|--|

**(3) Departmental Orientation and Registration Guidance Sessions** \*Attendance is mandatory for all new graduate students.

Graduate school orientation sessions (guidance sessions run separately by each graduate school) provide essential information for study and research, including the graduate school curriculum and course registration procedures.

- At these sessions you will receive your student ID card, user ID to access university IT services, course guide, and class schedule.
- Please consult with your graduate school's administrative office in advance if you are unable to attend.
