

# AY 2019 Post-Master's Research Student / Doctoral Research Student Application Guidelines

## I. System Outline

### 1. Post-Master's Research Student / Doctoral Research Student System

The Post-Master's Research Student / Doctoral Research Student System is a system that permits those who completed graduate schools or completed graduate programs without degree to use university's facilities in order to continue their research. Post-Master's Research Students and Doctoral Research Students cannot register for classes or receive research instructions from the faculty.

### 2. Qualification

#### [Important information regarding residence status for international students]

This is not a program for Post-Master's Research Students and Doctoral Research Students to acquire "Student" residence status. Accordingly, applicants who do not have Japanese nationality must submit documents proving that they possess valid residence status in Japan throughout the entire period of their participation in the Post-Master's Research Student/ Doctoral Research Student system.

#### (1) Application Qualifications for Post-Master's Research Students

In order to become a Post-Master's Research Student, you must fulfill either of the following items i or ii.

- i. Obtained, or are expected to obtain a master's degree at a graduate school of Ritsumeikan University
- ii. Obtained, or are expected to obtain a professional graduate degree at a graduate school of Ritsumeikan University.

#### (2) Application Qualifications for Doctoral Research Students

In order to become a Doctoral Research Student, you must fulfill either of the following items i or ii.

- i. Obtained, or are expected to obtain a doctoral degree at a graduate school of Ritsumeikan University
- ii. Completed program requirements for either a doctoral program, an integrated doctoral degree program or a 4-year doctoral program and withdrew from the university after being enrolled for more than the standard term for completion (this is called "Completion of doctoral coursework without degree").

There is a limit to the total number of years applicants can be registered as Doctoral Research Student. Applicants cannot request to be Doctoral Research Students after reaching the limit. For those who fulfilled qualifications to become a Doctoral Research Student in or after fall semester AY 2009, the limit is 3 years. For those who fulfilled qualifications to become a Doctoral Research Student in or before the spring semester AY 2009, the basic period is within 3 years and the limit is 5 years.

### **3. Graduate Schools Where Applicants Can Register as Post-Master's Research Students or Doctoral Research Students**

## Management of Personal Information at Ritsumeikan University

This is a translation of the document. (The Japanese document shall be the original.)

Ritsumeikan University (hereinafter, the “University”) handles personal information submitted by individuals to complete enrollment procedures (hereinafter, “Personal Information”) in the following manner, in compliance with the laws and ordinances concerning personal information protection and the “Personal Information Protection Regulations of the Ritsumeikan Trust.”

### Purposes of Use

- The University shall use the Personal Information of students exclusively for the following purposes.
- To support students in their study at the University, e.g., by managing information concerning student enrollment, class schedules, academic records, and university fees
  - To support students to ensure meaningful campus life, e.g., by offering student-life counseling, supporting extra-curricular activities, and managing scholarships and health programs
  - To support students in their career development after graduation, e.g., by offering career guidance and assistance in job searching and managing career and recruitment information
  - To share information concerning student class schedules and academic records with their parents and to offer counseling for student career development to their parents, e.g., by sending them academic records
  - To implement tasks necessary to carry out entrance examinations and complete enrollment procedures
  - To send brochures and other materials concerning the University and other schools established by the Ritsumeikan Trust
  - To ensure proper use and safety of facilities and equipment within the University
  - To issue written certificates of various types
  - To provide necessary information to entities authorized by the Personal Information Protection Committee of the Ritsumeikan Trust, including, but not limited to, scholarship organizations and groups organized by graduates of the University/parents of students
  - To provide information on the academic performance and campus activities of students to their high schools
  - To conduct university evaluations (self-evaluations, third-party evaluations, certified evaluations and accreditations, etc.) and statistical surveys of various types
  - To conduct educational, research, and faculty development activities
  - To carry out other tasks necessary for the management and operation of the University

### Management of Personal Information

Students’ Personal Information shall be managed safely in a manner to prevent leaks, loss, and destruction, and shall be in compliance with all applicable laws and ordinances and the “Personal Information Protection Regulations of the Ritsumeikan Trust.”

### Contracting with an Outside Party for Services that Require Personal Information

The University may contract with outside parties for part of its services that involve the handling of Personal Information under terms and conditions that obligate such outside parties to handle Personal Information in a proper manner.

### Disclosure of Personal Information to Third Parties

The University may offer Personal Information to entities other than the Ritsumeikan Trust (hereinafter, the “Third Parties”) to the extent necessary to achieve any of the Purposes of Use and as authorized by the Ritsumeikan Trust, provided that the University publishes the Third Parties and Purposes of Use of Personal Information on its official website, and shall enter into an agreement or memorandum of understanding concerning the handling of Personal Information with these Third Parties in advance. Personal Information shall no longer be offered to any Third Parties upon completion of the procedures to stop offering Personal Information to such Third Parties for such purposes that are published on the official website of the University.
