AY 2020 Post-Master’s Research Student / Doctoral Research Student Application Guidelines

I. System Outline

1. Post-Master’s Research Student / Doctoral Research Student System
The Post-Master’s Research Student / Doctoral Research Student System is a system that permits those who completed graduate schools or completed graduate programs without degree to use Ritsumeikan University’s facilities in order to continue their research. Post-Master’s Research Students and Doctoral Research Students cannot register for classes or receive research instructions from the faculty.

2. Qualification
(1) Application Qualifications for Post-Master’s Research Students
In order to become a Post-Master’s Research Student, you must fulfill either of the following items i or ii.
   i. Obtained, or are expected to obtain a master’s degree at a graduate school of Ritsumeikan University.
   ii. Obtained, or are expected to obtain a professional graduate degree at a graduate school of Ritsumeikan University.

(2) Application Qualifications for Doctoral Research Students
In order to become a Doctoral Research Student, you must fulfill either of the following items i or ii.
   i. Obtained, or are expected to obtain a doctoral degree at a graduate school of Ritsumeikan University.
   ii. Completed program requirements for either a doctoral program, an integrated doctoral degree program or a 4-year doctoral program and withdrew from the university after being enrolled for more than the standard term for completion (this is called “Completion of doctoral coursework without degree”), or are expected to withdraw.

*There is a limit to the total number of years applicants can be registered as a Doctoral Research Student. Applicants cannot request to be Doctoral Research Students after reaching the limit. (For those who fulfilled qualifications to become a Doctoral Research Student in or after fall semester AY 2009, the limit is 3 years. For those who fulfilled qualifications to become a Doctoral Research Student in or before the spring semester AY 2009, the basic period is within 3 years and the limit is 5 years.)

3. Enrollment Period
The enrollment period is from the beginning of the academic year to the end of the academic year. If you wish to extend your status as a Post-Master’s Research Student or a Doctoral Research Student into the following academic year, you must re-apply for it.

4. The privilege of Post-Master’s Research Students / Doctoral Research Students
(1) Post-Master’s Research Students and Doctoral Research Students are able to use the libraries, areas which ICT environment is provided such as Multimedia rooms, and facilities for graduate students* only for the period when their enrollment is permitted.
   Please contact the Office of Graduate Studies for details.
   * Facilities for graduate students differ depending on the campus or the graduate school.
   OIC: Shared space on the 7th and 8th floors of building A (Research Commons)

(2) Post-Master’s Research Students and Doctoral Research Students basically cannot use the common research room (Study Carrels) for graduate students. However, they may be able to use the common research rooms (Study Carrels) under the conditions which were specified by the relevant graduate school. (Please consult with the graduate students association of each graduate school for details.)

(3) Post-Master’s Research Students and Doctoral Research Students can continue to use their
RAINBOW user ID and e-mail address, which they were using while they were enrolled as graduate students.

(4) Loan conditions of the library for Post-Master’s Research Students and Doctoral Research Students are “100 materials in 100 days” (The last day of the loan period is the last day of student’s enrollment). For details, please see “Borrowing, Returning” page of the Ritsumeikan University Library website. The library database is also available for use. However, the authorization status to access the database may change from your previous status. Please contact the library directly to find out whether you can access the particular database or not.

2. Notification of result and Registration Procedures
   (1) Notification of Result
      1) Spring semester: (Thu) Mar 26, 2020
      2) Fall semester: Date will be notified for the applicants for fall semester enrollment, separately.
      * Whether your application is accepted or rejected will be decided by a document screening or an interview to be conducted by each Graduate School. Applicants will be notified of the results by post.

   (2) Deadline for Registration
      1) Spring semester: (Thu) Apr 9, 2020
      2) Fall semester: Date will be notified for the applicants for fall semester enrollment, separately.

   (3) Registration Procedures
      1) Please pay the fee mentioned on the 認可通知(notice of allowance) by the deadline above by using a money transfer form included with 認可通知(notice of allowance) which will be sent by post. (You must make the payment at a financial institution during its business hours. Payment is
considered valid if the date of the stamp used by the financial institution on the receipt is the
deadline date or earlier date.) The Post-Master’s Research Student / Doctoral Research Student
System fee for a full-year is the annual fee. Meanwhile, the fee for Spring Semester only or Fall
Semester only is the half of the annual fee. If you fail to pay the fee by the designated deadline,
your permit will be cancelled.

*There will be no refunds given for any reason once payment has been made.

2) On the completion of designated procedures, successful applicants will be registered as
Post-Master’s Research Students or Doctoral Research Students, and issued an ID card
indicating a Post-Master’s Research Student or a Doctoral Research Student of Ritsumeikan
University.

3. Other Important Notes
(1) In case, Post-Master’s Research Students or Doctoral Research Students, whose enrollment status
are valid through the academic year, wish to enter or re-enter one of our graduate schools from fall
semester, they must submit a “Request of Resignation from Post-Master’s or Doctoral Research Student” by Thursday, Sep 10, 2020. Accordingly, the period when their enrollment status is valid
would be changed from the whole academic year to the spring semester only. However, once
payment of the annual fee has been made, there will be no refund for any reason.

(2) In case, Post-Master’s Research Students or Doctoral Research Students, whose enrollment status
are valid in the spring semester only, wish to continue their research during the fall semester as well,
they must submit the applications during the application period for the fall semester according to “II.
Application Procedures”. If they are approved, you must finish all necessary procedures including the
payment of Post-Master’s Research Student System Fee or Doctoral Research Student System Fee
during the application period.

(3) The enrollment status as Post-Master’s Research Students or Doctoral Research Students is valid
through each academic year only. If you wish to continue your enrollment in the following academic
year as well, you must apply again during the designated period.

(4) Post-Master’s Research Students and Doctoral Research Students must comply with regulations of
Ritsumeikan University. If their actions or behaviors violate our regulations, or are improper as
Post-Master’s Research Students or Doctoral Research Students, their status as Post-Master’s
Research Students or Doctoral Research Students will be deprived and the permission to continue
their research or use the graduate facilities will be withdrawn.

(5) “Certificate of Non-degree Student” can be issued if necessary. However, the Commuter Pass
Certificate and the Student Traveler Fare Discount Certificate required for purchase of a student
commuter pass cannot be issued.

Management of Personal Information at Ritsumeikan University
This is a translation of the document. (The Japanese document shall be the original.)

Ritsumeikan University (hereinafter, the “University”) handles personal information submitted by individuals to complete enrollment procedures (hereinafter, “Personal Information”) in the following manner, in compliance with the laws and ordinances concerning personal information protection and the “Personal Information Protection Regulations of the Ritsumeikan Trust.”

Purposes of Use
The University shall use the Personal Information of students exclusively for the following purposes.
- To support students in their study at the University, e.g., by managing information concerning student enrollment, class schedules, academic records, and university fees.
- To support students to ensure meaningful campus life, e.g., by offering student-life counseling, supporting extra-curricular activities, and managing scholarships and health programs.
- To support students in their career development after graduation, e.g., by offering career guidance and assistance in job searching and managing career and recruitment information.
- To share information concerning student class schedules and academic records with their parents and to offer counseling for student career development to their parents, e.g., by sending them academic records.
- To implement tasks necessary to carry out entrance examinations and complete enrollment procedures.
- To send brochures and other materials concerning the University and other schools established by the Ritsumeikan Trust.
- To ensure proper use and safety of facilities and equipment within the University.
- To issue written certificates of various types.
- To provide necessary information to entities authorized by the Personal Information Protection Committee of the Ritsumeikan Trust, including, but not limited to, scholarship organizations and groups organized by graduates of the University/parents of students.
- To provide information on the academic performance and campus activities of students to their high schools.
- To conduct university evaluations (self-evaluations, third-party evaluations, certified evaluations and accreditations, etc.) and statistical surveys of various types.
- To conduct educational, research, and faculty development activities.
- To carry out other tasks necessary for the management and operation of the University.

Contracting with an Outside Party for Services that Require Personal Information
The University may contract with outside parties for part of its services that involve the handling of Personal Information under terms and conditions that obligate such outside parties to handle Personal Information in a proper manner.

Disclosure of Personal Information to Third Parties
The University may offer Personal Information to entities other than the Ritsumeikan Trust (hereinafter, the “Third Parties”) to the extent necessary to achieve any of the Purposes of Use and as authorized by the Ritsumeikan Trust, provided that the University publishes the Third Parties and Purposes of Use of Personal Information on its official website, and shall enter into an agreement or memorandum of understanding concerning the handling of Personal Information with these Third Parties in advance. Personal Information shall no longer be offered to any Third Parties upon completion of the procedures to stop offering Personal Information to such Third Parties for such purposes that are published on the official website of the University.
