

Dear GSLS students,

AY2021 KENKYU-SHOREI Scholarships A/B
Points to be Careful When Filling in the “Research Achievements” Form

Please follow the directions below when you fill in the “Research Achievements” form.

- 1) Include the research achievements you have made in Master’s Course.
- 2) For each achievement, double underline your name and underline the names of the students who belong to the Graduate School of Life Sciences.
- 3) For “(3) Presentation at international conferences” and “(4) Presentation at domestic conferences/symposiums etc.,” put “○” before the names of the presenters.
