29 CHECK!

The original paper editions of the newspapers listed above are available at Ritsumeikan University, but international foreign-language newspapers take a few days to arrive. If you want to read recent articles or look up articles on a particular subject, use the newspaper article databases.

What if the newspaper you want to read is on another campus?

You cannot request for the original paper edition, but you can request the compact and microfilm editions. Microfilms can be viewed using the library's microreaders. For details, please contact the service counter at the library.

How can I use materials in libraries other than Ritsumeikan University libraries?

• Visit the library that has the materials and use them there....You will need to apply in advance. (In the case of a Ritsumeikan University partner university, there are also libraries that you can visit directly.)

• Order a photocopy of a newspaper article · · · (*pay service)

The copying fee varies depending on the library where the article is stored. Shipping fees, handling fees, etc., are to be paid by the user.

If you have any questions, feel free to ask at the reference counter!
