

## Attachment Cover Sheet

※If you have any documents to supplement your activities, please fill in the required items of the form below and attach the documents to the application form.

- Applicants for “Advancement Support” should submit documents that provide evidence of the achievements of their previous activities in relation to the current activity theme.
- Please attach any materials that provide supplementary information on your achievements such as commendations, newspaper articles, and magazine publications.  
If the achievements resulted from your activities as a member of an external organization, please also attach a profile of the organization.
- The attached documents should be in PDF format in A4 size.
- Each document should be numbered in the upper right-hand corner of the document according to the document number below.
- All documents should be "merged" and submitted in a single file with this "Attachment Cover Sheet" on the first page.

Document No.	Document Name
	Description (e.g. title of the work, name of event, period of activities, date of event, your role)
