

March 30, 2022

**Notice of Partial Changes to Admission Guidelines of September 2022 Enrollment  
Graduate School of Economics Ritsumeikan University Admissions (Admission  
Examinations held on June 2022)**

Dear Applicants,

It has been decided that Graduate School of Economics, Ritsumeikan University will make partial changes to the Admission Guidelines of September 2022 Enrollment in consideration of the novel corona virus (COVID-19) infection. For those who wish to apply to the admissions of the Graduate School of Economics, please be sure to check the changes and proceed with the preparation for application.

1. Admission Types to which these changes apply

(Master's Program: Regular Admissions, APU Special Admissions, Accelerate Learners (Grade Skippers) Admissions)

(Doctoral Program : International Student Admissions)

2. Details of Changes

For admissions that require submission of official test score of English Language ability Test (TOEFL iBT® Test, IELTS or TOEIC® Listening & Reading)

→Test Score of TOEFL iBT® Home Edition (Special Home Edition) or IELTS Indicator will also be accepted. The required score for each of the mentioned two tests will be according to that for TOEFL iBT® test or IELTS. (Since its conditions differs by the admission types, please read the application guideline carefully.)
