

WRITING RETREAT

The act of writing tends to be a solitary one.

Writing retreat allows us to come together and share the time and space to focus on writing.

Why don't we work on writing on our own, but together in the same space?

Join us with a writing task on your to do list and a laptop (or a pen and paper if you prefer!).

Postgraduate students are welcome!

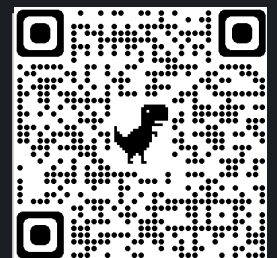

*Mon 28th & Wed 30th Nov 2022
5th period 16:20-17:50*

- During the event, we focus on writing without using the Internet. You are kindly asked to turn off your smartphones too.
- Make sure you have done any research required for your writing before the event.
- It is highly recommended that you bring a fully charged laptop with you.
