About "Advanced application in "Program to Support the Submission of Academic Papers in Foreign Languages (for Graduate Students)"

■Main points■

- If the payment for proofreading service or submission fee must be done in March, it will be subject to a "Advanced application."
- No need to submit all the application documents in advance by 17:00 on February 29, 2024.
- Submit the rest of the required application documents to the relevant office promptly after you use the proofreading service or submit the Foreign language article manuscript.
- If you cancel using it, you will lose your eligibility to receive this scholarship.

■1. About "Advanced application"■

From 13:00 on Thursday, January 25 to 17:00 on Thursday, February 29(JST)

■2. Procedure for "Advanced application"■

(1) Please log in to "SmartDB", attach only the application and other attachable voucher documents, and apply.

＊After the above, if we can confirm the contents of your application, we will return your application to you so that you can do (2).

(2)(After proofreading or submitting your paper) Please log-in to "SmartDB," and attach the materials (Receipt, etc.) that should be attached to the returned application, and "submit."

＊Be aware that this scholarship may not be granted if the submission is delayed.
＊We may contact you at a later date, so check your mobile phone and email regularly.
＊Contact the RARA office as soon as possible when you cancel the proofreading service or the Foreign language article manuscript.

Best regards,
