RITSUMEIKAN TRUST

WHO WE ARE

Ritsumeikan is a private university with campuses in the Kansai and Kyushu regions.

Founded on the principles of freedom, innovation, peace, and democracy,

Ritsumeikan seeks to nurture students with a global mindset that can become the leaders of tomorrow.

Challenge your Mind
Change our Future

Ritsumeikan University is one of the largest private universities in the Kansai region. Campuses are located in Kyoto, Shiga and Osaka Prefectures in both urban and rural settings. It is recognized for both its undergraduate and graduate programs, and additionally offers a number of courses in English.

Ritsumeikan Asia Pacific University is located in Oita Prefecture in Kyushu. It is a leading university in international education, where 50% of its students body are international students and instruction is offered in English, Japanese and a range of Asian Pacific languages.

RITSUMEIKAN UJI JUNIOR AND SENIOR HIGH SCHOOL

OUR COURSES

- 01. **Integrated Global Course (IG)**
For those aiming to enter Japanese universities or the Japanese business world, our IG Course is built upon a traditional Japanese educational foundation with modern global elements.
- 02. **Immersion Course (IM)**
Our IM Course is designed for Japanese students wishing to study abroad and is thus modelled on global education systems.
- 03. **International Baccalaureate Course (IB)**
We are a fully accredited IB school offering our students a stimulating, academically rigorous education.

OUR CLASSES

As friendship & inclusion are our core values, exchange students are welcome to join almost any class that's available to our domestic students.
