Program Type 3. Advanced

Study Specialized Fields & Subjects Abroad

15-1. Ritsumeikan University–American University Dual Undergraduate Degree Program

(AU–DUDP)

USA / 2–academic year program /summer departure from Japan/ English (Advanced level)

Program Outline: Students take courses for a minimum of two years each at RU in Japan and AU in the U.S. capital, Washington D.C., and receive bachelor degrees from both universities. They will enroll in one of the five departments at AU: College of Arts and Sciences, Kogod School of Business, School of Communication, School of Public Affairs, or School of International Service. This concentrated program helps students to study systematically at AU as degree-seeking students in order to obtain dual bachelor degrees.

Program Fee: The annual tuition is approx. US \$57,000 (Fiscal year 2018). Room and board, travel expenses, insurance, living expenses and other expenses will be necessary. Students pay 10,000 JPY per year to RU as annual special tuition while studying at AU.

Scholarship:

- Equal to 30% of the AU semester/session tuition will be awarded from AU each semester/session. Students must maintain a cumulative GPA of 3.0 or above in order to receive this scholarship. (Only for the first two semesters will students receive this scholarship automatically.)
- 2,400,000 JPY will be granted to all program participants (800,000 JPY per academic year x 3 yearly payments). Every year, RU will review students' academic results at AU in order to award this scholarship. *Actual amount for academic year 2018. Subject to change.

Approval of Transfer Credits: Students gain approximately 90 credits at RU and at least 80 credits at AU and meet graduation requirements through a transfer of up to 40 credits at both universities. (The number of credits approved after returning to RU depends on the regulations of the college at RU that the student belongs to.)

Schedule: Two years from the middle of August 2020 (It may take more than two years to complete the program depending on the department and courses participants study at AU.)

Number of Students Being Recruited: Few

Application Requirements: First year students belonging to the following colleges: Law, Social Sciences, International Relations, Policy Science, Letters, Business Administration, Economics and Psychology. A TOEFL iBT® test score of 75 or higher or IELTS 6.0 or higher*¹ and a cumulative GPA of 3.0 or above is required.

*¹ These scores only apply to the 1st round application period scheduled in October 2019. For the 2nd round application period scheduled in January 2020, a TOEFL iBT® test score of 80 or higher (Sub-scores for each section should be 20 or higher), or IELTS 6.5 or higher (Sub-scores for each section should be 6.0 or higher) is required. (If sub-scores for at least three sections meet the requirement, RU will accept the application. However, American University requires international students to have a TOEFL iBT® test score of 80 or higher (Sub-scores for each section should be 20 or higher), or IELTS 6.5 or higher (Sub-scores for each section should be 6.0 or higher) to take regular courses. Therefore, even though students are selected by RU as successful applicants, they need to meet American University's requirement by the time of applying for American University at the end of April, 2020.
