### USA / 2–academic year program /summer departure from Japan/ English (Advanced level)

**Program Outline:** Students take courses for a minimum of two years each at RU in Japan and AU in the U.S. capital, Washington D.C., and receive bachelor degrees from both universities. They will enroll in one of the five departments at AU: College of Arts and Sciences, Kogod School of Business, School of Communication, School of Public Affairs, or School of International Service. This concentrated program helps students to study systematically at AU as degree-seeking students in order to obtain dual bachelor degrees.

**Program Fee:** The annual tuition is approx. US \$59,000 (Fiscal year 2019). Room and board, travel expenses, insurance, living expenses and other expenses will be necessary. Students pay 10,000 JPY per year to RU as annual special tuition while studying at AU.

#### **Scholarship:**

- Equal to 30% of the AU semester/session tuition will be awarded from AU each semester/session. Students must maintain a cumulative GPA of 3.0 or above in order to receive this scholarship. (Only for the first two semesters students will receive this scholarship automatically.)
- 2,400,000 JPY will be granted to all program participants (800,000 JPY per academic year x 3 yearly payments). Every year, RU will review students' academic results at AU in order to award this scholarship. \*Actual amount for academic year 2019. Subject to change.

**Approval of Transfer Credits:** Students gain approximately 90 credits at RU and at least 80 credits at AU and meet graduation requirements through a transfer of up to 40 credits at both universities.
