Announcement: Shuttle Bus Operation Schedule for the Academic Year 2024

We would like to inform you of the Ritsumeikan University "Inter-Campus Shuttle Bus" service schedule for the academic year 2024 as shown in the attached "Shuttle Bus Service Schedule for Academic Year 2024".

Due to the reform of the work style based on the revision of laws and regulations, it has become difficult to continue the operation system of the service around 10:00 p.m. in the evening.

We will continue to study mechanisms to support "activation of extracurricular voluntary activities and promotion of exchanges across campuses".

We apologize for any inconvenience this change may cause to students, faculty, and staff who regularly use the service, and we ask for your understanding.
