

国際コミュニケーション専攻完成記念報告会

A Reflection on Ritsumeikan University, College of Letters, the International Studies and English Communication (ISEC) Major: Curriculum, Theses Written in English, and Challenges for Further Development

立命館大学文学部国際コミュニケーション専攻
ーカリキュラム、英語での卒論執筆と今後への課題ー

国際コミュニケーション専攻開設以来、2016年3月で初めて卒業生(64名)を送りました。この節目の時期に、これまでのカリキュラム、専攻全員に英語での卒論を執筆させた過程を振り返り、今後の専攻のさらなる発展のための課題を公開討論することで、関係者の皆さまのご助言をいただき、次のさらなる発展へつなげたいと思います。

ISEC celebrated its first cohort of graduates (64 altogether) in March 2016. We would like to take this opportunity to reflect upon our current curriculum comprising English courses and *senmon* courses. We also wish to reflect upon the process we have put in place to support students when writing their English theses. Finally, there are a number of issues that need to be addressed for further development of our program, and we welcome any comments and suggestions from the audience that can help us in this quest.
