How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

Not the right way. Mostly, I used guides that helped me pass tests. The problem is I passed the tests but didn't retain the language I "learned". It is partly because of this experience that I value the goals of the BBP. It is only when a language is used that it becomes meaningful.

A message to students learning foreign languages /外国語を学ぶ学生へのメッセージ

When you are in the BBP, greet the people around you, including the staff. If you normally do this, good for you! If not, you should give it a try. I have made some lifelong friends that only began because one of us had the courage to break the ice.
