How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

I learned foreign languages by putting myself in the situation where I need to use foreign languages such as helping international students in a language exchange program, joining a foreign internship program or simply mimicking how my favorite actors speak or use gestures!

A message to students learning foreign languages /外国語を学ぶ学生へのメッセージ

You don't have to be always perfect but never lose your interest or passion for learning foreign languages!
