**Research Results:**

I went on two field trips, during the first trip, I have participated in two International Seminar organized by Foreign Policy Community of Indonesia and Migrant Care and 3 Forum Group Discussion organized by LESPERSI and FPCI and University of Indonesia (Japanese studies area). I also conducted a field trip to interview and participated (participant observation) with persons who related to my research and several Organizations such Indonesian Association of Trainee (Kenshusei) IKAPEKSI. In this trip I met a lot of people related to the issues of my research such as Mr. Onno From Jakarta Shinbun who is one of the writer of Indonesian Trainee in Jakarta Shimibun etc.

In the second trip, I visited Bandung and several places in West Java area, in this trip I more focus to interview the stakeholders to gauge and analyze the problem from the perspective. Of economy and Business side.

\*During the past 6 months, my articles have been Published in academic journals Published by LIPI, and one article currently under review. And I've been accepted to present my research progress on Dissertation Workshop at UC Berkeley University California USA in next August and International Conference ASCJ 2020 in Tokyo next July.
