How I learned foreign languages When I was a student / 学生時代どのように外国語を学習したか
I learned foreign languages by singing foreign songs, watching TV shows, and talking with international friends. I tried all kinds of methods, including rote memorization and grammar substitution drills, so I honestly cannot tell exactly what worked best for me. However, I really enjoyed learning foreign languages and kept at it. What one likes, one will do well.

A message to students learning foreign languages / 外国語を学ぶ学生へのメッセージ
I hope you enjoy learning foreign languages. I hope you find a way to have fun learning foreign languages. Again, what one likes, one will do well.
