How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

**I learned foreign languages by singing songs in other languages, watching TV shows, and talking with international friends. I tried many approaches—from rote memorization to grammar drills—so it’s hard to say what worked best. What I do know is that I enjoyed learning languages and stuck with it. When you enjoy something, you tend to do it well.**

A message to students learning foreign languages /外国語を学ぶ学生へのメッセージ
