Research Results:

In my first trip I went to Osaka to had Interviewed with one of the representative Indonesian kumiai in Osaka, and also interviewed with a group of Indonesian technical intern Trainees from Daichi Pan company.

Second trip, I went to Nagoya to interviewed one of NGO namely 'Soudan' NGO in Nagoya with the founder of the organization Prof. Natsuko Saeki. We had a great discussion in Immigration Office of Nagoya, and I also had a chance to had interviewed with one of Indonesian trainee who manage to runaway from the company due to the abuse and exploitation.

In the same day, I also had the opportunity to interviewed with one of Indonesian trainee who change the status into Tokutei Ginou from the same company Chiyoda Kogyo.

Third trip, I went to Sendai to conducted interviewed and also doing participant observation for three days with Indonesian Member board of Tohoku family, the biggest group of Indonesian trainee in Japan, and also interviewed Tohoku Family member (trainee), and I also attended the annual ceremony for inauguration of new leaders in Tohoku family Association. The detail activities: first day interviewed the founder and member board of Tohoku family, second day Interviewed Indonesian Kumiai and NGO for Tohoku area, third day Interviewed and participant observation with the Tohoku member in the Inauguration of new leader ceremony.

And I also conducted interviewed with representative of Indonesian biggest kumiai in Tokyo area by zoom online and interview Indonesian trainees in Shiga by Zoom online.
