Hyakunin Ronbun (100 papers) at Ritsumeikan University

48 graduate students, from various graduate schools and year levels, studying at **Ritsumeikan University** post their researches.
They have many different approaches.
You can absolutely find **the post that you have an interest in**.
Please enjoy looking at the posts.

What is "Hyakunin Ronbun" ?

Various researchers from various fields introduce their own researches by answering the predetermined 3 questions with one picture.
These are the 3 questions researchers answered!
①"This is my research!"
②"What I want to know, discuss with you, and teach me about this!"
③"Ask me about this!"
Those who read a post will make comments anonymously.
A Best Impact Prize will be selected by readers' vote.
When you want to contact the researcher directly, the executive office will introduce each other only for the first time.
Let's read the posts and make your comments!
