How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

When I was learning French, I never missed a class, did all my homework, studied super hard, and was active ... no, no, I was PROactive and spoke French all the time ... These are the things that I wish I had done. I didn't, so that is why I don't remember anything and cannot speak any French now! I hope you don't do the same thing!
