

Japan Super Science Fair 2020 Online

Ritsumeikan High School has hosted the annual Japan Super Science Fair (JSSF) 17 times since 2002 (Refer to <http://www.fkc.ritsumei.ac.jp/fkc/jssf2019/>). This year, we are planning to hold JSSF online for the first time using “zoom.” We are hoping that high school students who love science from all over the world can build a wonderful network and create a bright future together through this opportunity.

【Date】
