How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

I learned English by studying in an international school in Kobe from K-12th grade . I continued to study English once I entered university in the United States of America. Throughout my student life I spoke Japanese, English and a little bit of German with my mother (Japanese) and my father (Swiss) at home.

A message to students learning foreign languages /外国語を学ぶ学生へのメッセージ

Don't be afraid to make mistakes when trying to speak a foreign language. Communication is a combination of speaking and body language. Step by step and day by day are important phrases to remember when trying to learn a foreign language. Let's practice together!
