One-on-One language learning with a partner

Additional Registration

Language Exchange Program (LEP)

BBP LEP is a program that connects students based on the languages you would like to learn, and you can teach.

This program is a perfect fit for you like:

- I understand the words and grammar, but I have trouble speaking. I feel embarrassed and hesitate to speak.
- I am studying the language, but I want more opportunities to speak.
- It's difficult to continue if studying by myself, but I don't want to spend money on learning languages
- I would like to study the language one on one.

How to use BBP LEP

Please make sure to read the 'Important Notes for Registration' on the web page before registering.
