How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

I wasn't particularly good at modern languages when I was at school (I studied French till I was 14 & German till I was 16), although I was quite good at Latin. perhaps it was because I was interested in history – I learnt Japanese later

A message to students learning foreign languages /外国語を学ぶ学生へのメッセージ

Use your imagination when you learn and take responsibility for your own development.
