

# moodle+R | Quick Manual for Students

**Access moodle+R from the [RITSUMEIKAN STUDENT PORTAL](#).**

\*Please log-in with your RAINBOW email address (including “@” and beyond) and password.

**You can make a request for “Temporary registration for moodle+R (Early use request). “  
Please refer to the [relevant section of the Study Support Site](#).**

Please follow the instructions from your instructor when using moodle+R.

## **Important notes:**

**University announcements (including class cancellation, make-up class, and classroom change) will be provided via the [RITSUMEIKAN STUDENT PORTAL](#).**

# Preferences - How to switch preferred language

The default language in moodle+R is set to Japanese for all students.

Go to the Preferences menu screen from the personal settings icon in the upper right corner to switch your preferred language. (Click “プレファレンス/Preferences”>“優先言語/Preferred language”)

The screenshot shows the Moodle+R user interface. At the top right, there is a user profile icon with the name '茨木 隼月 IBARAKI Satsuki'. A dropdown menu is open, showing options: 'プロフィール', 'カレンダー', 'プレファレンス / Preferences', '言語設定', and 'ログアウト'. The 'プレファレンス / Preferences' option is highlighted with a red box. A red arrow points from this option to the '優先言語 / Preferred language' option in the 'ユーザアカウント' (User Account) section of the preferences page. Other options in the 'ユーザアカウント' section include 'プロフィールを編集する', 'フォーラムプレファレンス', 'エディタプレファレンス', 'カレンダープレファレンス', 'コンテンツバンクプレファレンス', 'メッセージプレファレンス', and '通知プレファレンス'.

# Preferences - How to switch preferred language

In the preferred language (優先言語) screen, you can switch your language.  
Note that changing your preferred language here will only affect the Moodle interface and not the actual course content.

# Basic terms

## Basic terms used in moodle+R

	Terms	Description of terms
1	Dashboard	The first page that appears after logging-in to moodle+R. It corresponds to “My Page” in manaba+R.
2	Course	The course you are taking. Similar concept as manaba+R.
3	Role	The user role within a course. Students are generally registered to be in the role of “student”.
4	Course Top	The first page of the course that you moved from the dashboard. It displays course contents and navigation.
5	Section	Divided areas in the course. The instructor can change the name of each section.
6	Contents	A generic term for “Activities” and “Resources” etc. that the instructor places in the course.
7	Activities	A generic term for materials that allows interaction between the instructor and students, or between students in the course. The activities available in moodle+R include assignments, quizzes, forums, etc.
8	Resources	A generic term for resumes, course materials, and other materials that the instructor distribute to students in the courses. It corresponds to “Resources” in manaba+R. The resources available in moodle+R include files, folders, books, pages, and URLs.

# Dashboard - The first screen after logging in

The screenshot shows the Moodle+R dashboard interface. Red boxes and numbers highlight the following elements:

- (1)** Navigation menu: Home, Dashboard, My courses, Learning Tool, Useful links, Course search, Intelliboard.
- (2)** Course overview section: Includes filters for 'Future', 'Search', 'Sort by last accessed', and 'Summary'. A course card for 'DEMO COURSE' is shown with '0% complete' progress.
- (3)** Timeline section: Shows a list of activities with dates and times. Items include 'Quiz 1' (10:00, Sunday, 6 October 2024), 'essay 2' (11:00, Saturday, 12 October 2024), and 'Quiz 2' (10:00, Thursday, 17 October 2024).
- (4)** Notification, Messages, and Preferences icons.
- (5)** 'Edit mode' toggle switch.
- (6)** Calendar view for October 2024, showing dates 1 through 31.
- (7)** 'Learning tools' icon (a red circle with a pencil and plus sign).

		Description
(1)	Menu	You can access the following pages from the menu. <b>Dashboard:</b> The title this page. <b>My Courses:</b> A list of courses you are currently enrolled in. <b>Learning tools:</b> You can view the bookmarks and notes you have added on moodle+R. To add bookmarks and notes, click on the icon (7) in the lower right corner of the page. <b>Useful links:</b> Links to the university website, etc.
(2)	Course overview	A list of the courses you are enrolled in.
(3)	Timeline	A list of deadlines of assignments.
(4)	Notifications, Messages, Preferences	(From left to right) <b>Notifications:</b> Notifications from moodle+R. <b>Messages:</b> Messages between instructors and students. <b>Preferences:</b> Personal settings such as language, notification settings, etc.
(5)	Edit mode	By switching to edit mode, you can add blocks to the dashboard, move the blocks around, and make simple customizations.
(6)	Block Drawer	The blocks added to the dashboard are displayed in this area. You can place the blocks in the center area as well.
(7)	Learning tools	Press this button to activate the Learning Tool to add bookmarks or notes on any page on moodle+R.

# Dashboard – My Timetable block

## MyTimetable

⚠ There is 1 course in temporary registration status. Please confirm your course registration.

★ Starred course 📣 Unread announcement 📄 Unsubmitted assignment 🗨 Unread forum

	Mon	Tue	Wed	Thu	Fri	Sat
1				⚠ 10020 : 日本文学 GJ309

3		30001 : Economic strategy T203	10015 : 法学入門 ZS207			
4						

## Other courses

Course	Location	Icon
50001:演習		★ 📣 📄 🗨

This block displays your enrolled courses in a timetable format. It is placed on the dashboard screen.

- The course will be displayed the day after you register.
- If there are any unsubmitted assignments or other tasks assigned for that course, icon(s) will light up. (For quiz, assignment, Questionnaires, Announcement, and Forum)

If a course has a star, it will light up. You can add or remove stars in the course overview block.

When there are announcements posted or displayed within the past 14 days, it will light up.

If your "Forum tracking" in the Forum preferences is set to "Yes: highlight new posts for me," it will turn off once you have viewed all unread posts within the announcement or checked all notifications.

When there are pending and unsubmitted activities, it will light up. These activities include Quizzes, Assignments, Questionnaires, and Choices.

The light will turn off when the submission or completion button is pressed.

When there are forum topics submitted or displayed within the past 14 days, it will light up.

If your "Forum tracking" in the Forum preferences is set to "Yes: highlight new posts for me," it will turn off once you have viewed all unread posts within the announcement or checked all notifications.

- Courses without fixed days and times, Sunday courses, and courses starting after the 7th period will be displayed as "Other courses" at the bottom of the timetable.

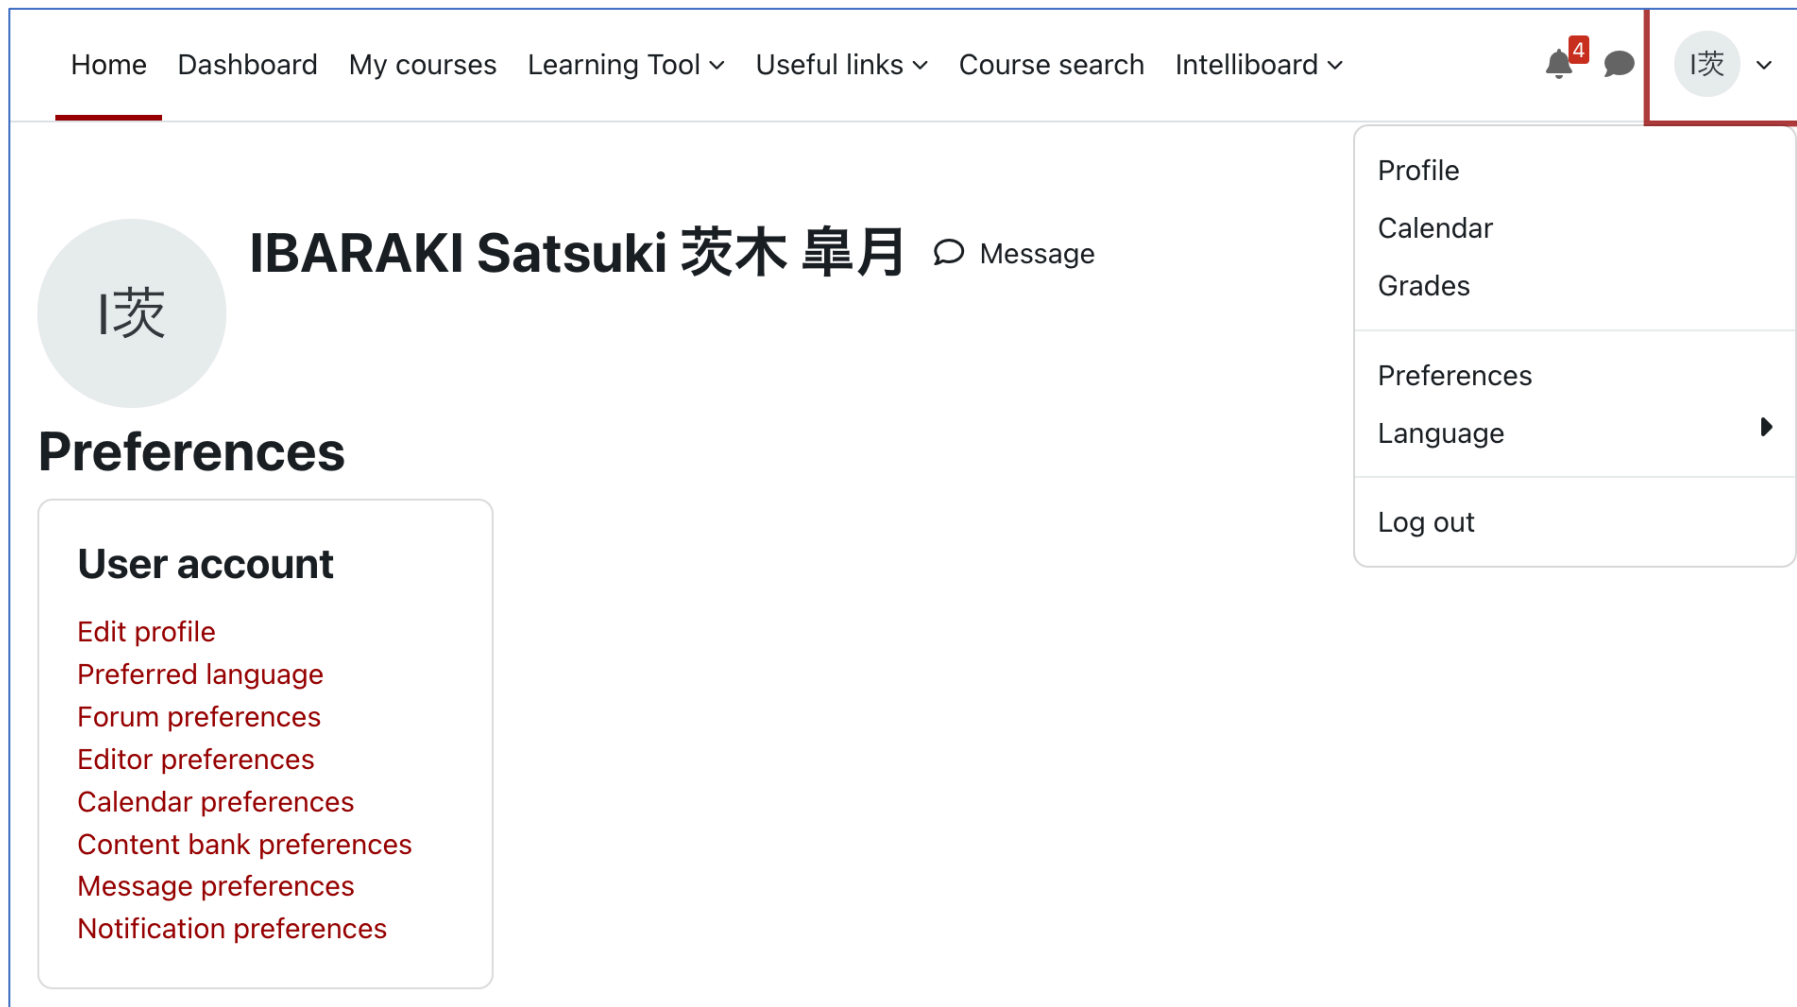

### ◆Notes Regarding Courses with the Temporary registration for moodle+R (Early use request)

A warning will flash for courses where proper registration is not yet complete. Please check the Course Registration and Grade List on CAMPUS WEB and complete the necessary registration.

The warning will generally be removed the day after registration is completed.

# Preferences - Personal settings

Go to the Preferences menu screen from the personal settings icon in the upper right corner to set your language, notifications, and other personal settings.

The screenshot shows the Moodle user interface. At the top, there is a navigation bar with links: Home, Dashboard, My courses, Learning Tool, Useful links, Course search, and Intelliboard. On the right side of the navigation bar, there is a notification bell icon with a red '4' and a speech bubble icon. Next to them is a circular profile icon containing the Japanese character '茨' (Ibaraki) with a dropdown arrow. A red box highlights this profile icon.

Below the navigation bar, the user's profile is displayed. It includes a circular profile picture with the character '茨', the name 'IBARAKI Satsuki 茨木 皐月', and a 'Message' button. Below the profile, the word 'Preferences' is written in a large, bold font.

Under the 'Preferences' heading, there is a section titled 'User account' with a list of settings: Edit profile, Preferred language, Forum preferences, Editor preferences, Calendar preferences, Content bank preferences, Message preferences, and Notification preferences.

On the right side of the page, a dropdown menu is open, showing options: Profile, Calendar, Grades, Preferences, Language (with a right-pointing arrow), and Log out.

## Message My Teacher

- Ichiro Ritsumei 立命 一郎

Description of a standard course blocks. The instructor can change the block location or hide them.

Block name	Description
Course summary	the outline of the course (day of the week and period, instructor(s), etc.)
Activities	In moodle+R, activities and resources can be created by the instructor for any section in the course. For example, a “quiz” may be created for both “Topic 1” and “Topic 2”. By clicking on the title of an activity in the activity block, you can see a list of all the activities in the course by category.
Completion Progress	The progress status of the activity is displayed according to the completion conditions set by the instructor. You can check unsubmitted assignments here.
Message My Teacher	You can send a message to the course instructor.

## 【 Examples of activity block usage 】

In the example below, a quiz and assignment are placed in Topic 1, and the quiz is also placed in Topic 2.

<b>Topic 1</b>	Quiz: 1 Progress: 0 / 1
<b>Topic 2</b>	Quiz: 1 Assignment: 1 Progress: 0 / 2

When you select “Quizzes” in the activity block, all quizzes in the course will be listed.

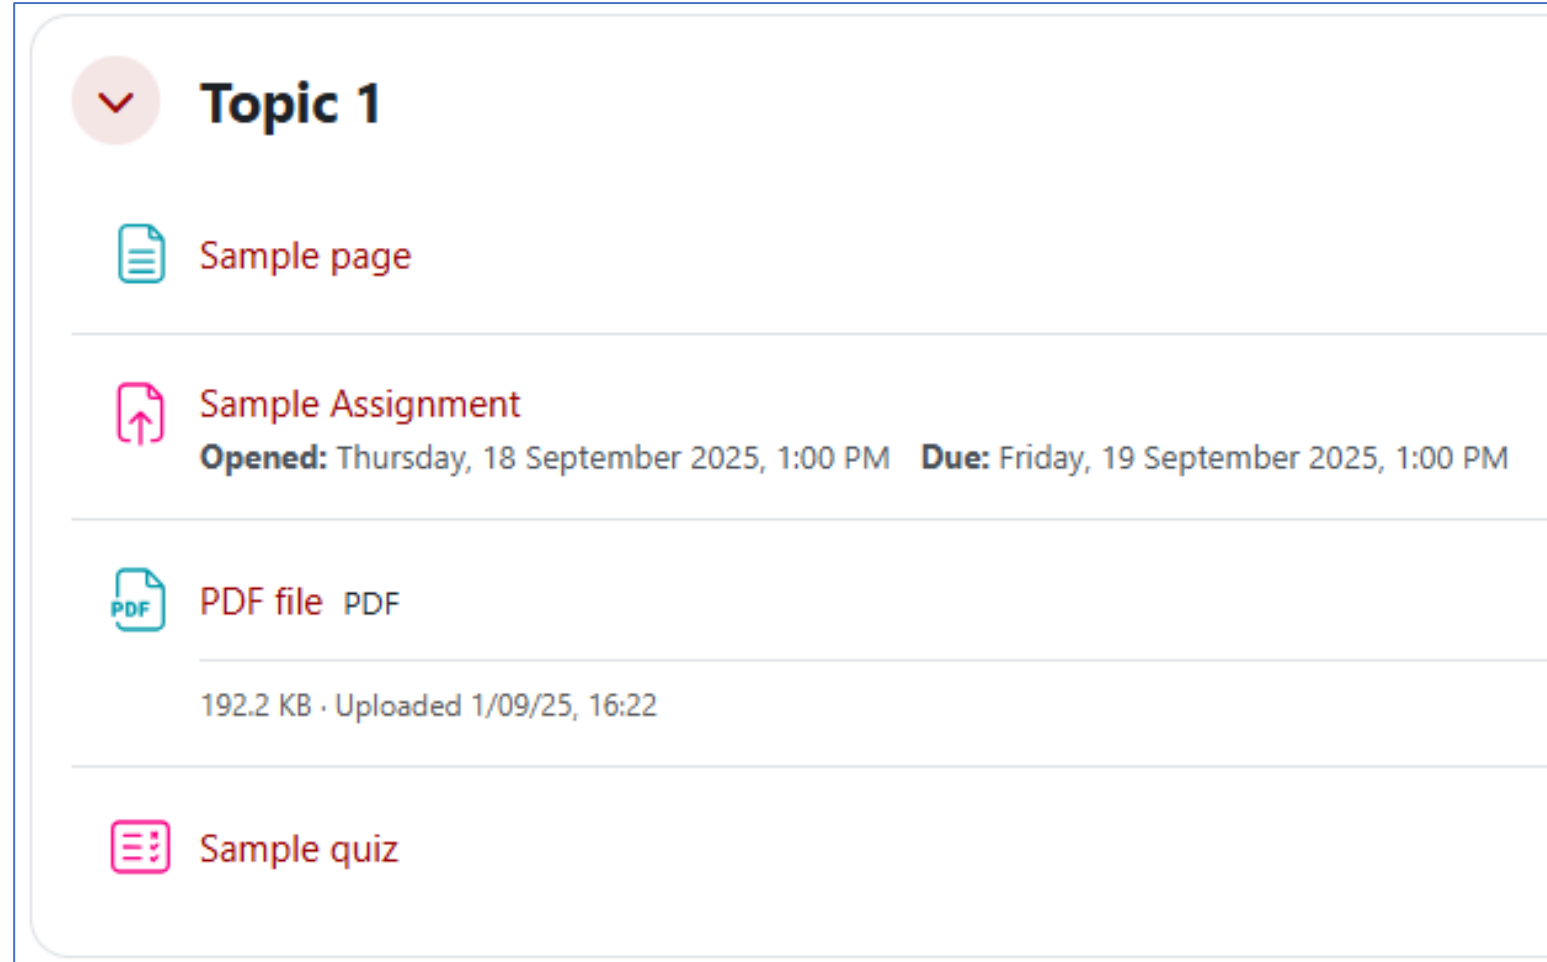

## Quizzes

Topic	Name	Quiz closes	Grade
Topic 1	Quiz 1	Sunday, 6 October 2024, 10:00 AM	
Topic 2	Quiz 2	Thursday, 17 October 2024, 10:00 AM	

# Course - Course Contents

In each section in a course, the activities and the resources provided by the instructor are shown. There are various types of the activities, such as quiz, assignment, questionnaire, forum, attendance, etc. And also there are various formats of presenting information, such as creating a simple webpage and posting files and URLs.

Click and check the contents.

The screenshot displays a Moodle course content page for 'Topic 1'. It features a list of activities and resources:

- Topic 1** (indicated by a dropdown arrow icon)
- Sample page** (document icon)
- Sample Assignment** (assignment icon) with details: **Opened:** Thursday, 18 September 2025, 1:00 PM **Due:** Friday, 19 September 2025, 1:00 PM
- PDF file PDF** (PDF icon) with details: 192.2 KB · Uploaded 1/09/25, 16:22
- Sample quiz** (quiz icon)

# Course - Submitting quizzes

Access to a Questionnaire in a course and go to the answer screen.  
After answering, click "Submit questionnaire" to complete the submission.

Once the completion conditions set by the instructor are met, the status will be updated.

**Done:** Student must submit this questionnaire to complete it

# Course - Submitting attendance (QR code)

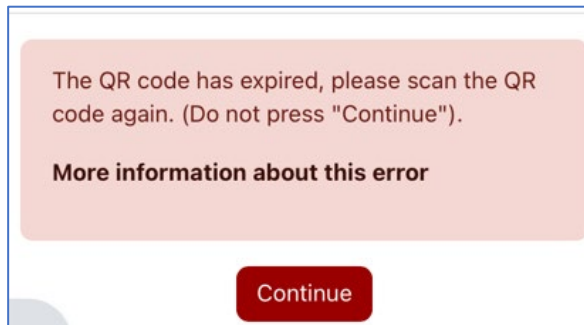

In moodle+R, there are various submission methods for attendance, depending on the instructor's settings.

•If the QR code is given by the instructor

※It will go smoother if you log in to moodle+R on the default browser of the device you want to scan with first.

1. Scan the QR code displayed with your smartphone or other device.  
QR codes may be fixed or may change at regular intervals.  
\*If they change at regular intervals, the time remaining until the next change will be displayed below the QR code.

2. If you are asked to log in to moodle+R, log in using your RAINBOW email address and password.  
\*If the QR code expires while you are logged in, you will get an error after you have logged in (see left figure).  
In that case, please scan the QR code again while you are still logged in (you can read it as many times as you like within the session time).  
\*It is smoother if you log in to moodle+R before scanning the QR code  
**\*Do not click "Continue". Your attendance submission is not completed while this error occurs. Clicking "Continue" will not complete the submission, please make sure to scan the QR code again.**

3. Your status is submitted.

# Course - Submitting attendance (Password)

In moodle+R, there are various submission methods for attendance, depending on the instructor's settings.

• If the password is given by the instructor

1. Select the attendance activity you want to record in a course.  
(The location and title of activities may vary depending on the instructor.)

# Course - Submitting Turnitin assignments

This explains how to submit assignments that utilize Turnitin, an external tool for plagiarism and AI writing detection. Turnitin calculates a similarity score for submitted assignments, indicating the degree of match with sources in its database. Depending on the instructor's settings, students may also be able to view a summary of this similarity score.

## 1. Access the Turnitin assignment on the course

Turnitin assignment

Write a description about...

The deadline is April 27th at 12:00 PM.

\* The first time you access an assignment using Turnitin, a license agreement will be displayed. Please review the contents and agree to the terms before using it.

## 2. Clicking on the assignment title will allow you to view the details.

# Course - Private contact to your instructor

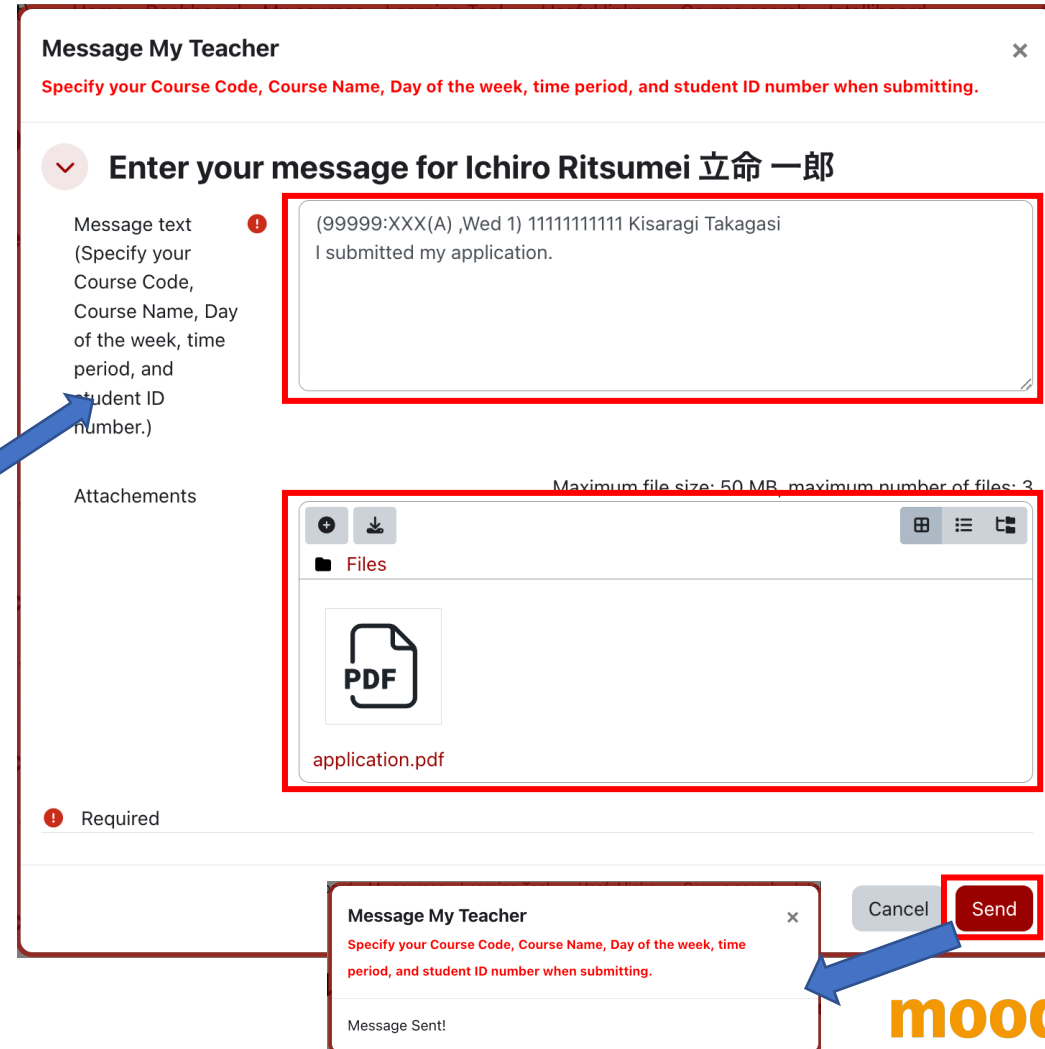

To contact your instructor individually, you can use the "Message My Teacher" course block.

1. Click the instructor you want to contact with from "Message My Teacher" in the block drawer in the course.

The screenshot shows a Moodle course page for '10001 : サンプルコース'. The 'Message My Teacher' block is highlighted with a red box. The block contains the following text: 'Specify your Course Code, Course Name, Day of the week, time period, and student ID number when submitting.' and a list of instructors: 'Ichiro Ritsumei 立命 一郎'. A blue arrow points from this block to the 'Message My Teacher' form on the right.

2. Enter your message, attach the file if you need, and click "Send".

The screenshot shows the 'Message My Teacher' form. The 'Message text' field contains the text: '(99999:XXX(A) ,Wed 1) 11111111111 Kisaragi Takagasi I submitted my application.' The 'Attachments' section shows a PDF file named 'application.pdf' with a maximum file size of 50 MB and a maximum number of files of 3. A red box highlights the 'Send' button. A blue arrow points from the 'Send' button to the 'Message My Teacher' block in the previous screenshot.

## 【Rule for use】

Please specify your Course Code, Course Name, Day of the week, time period, and student ID number when submitting, so that the instructor can identify which course you are in.

# Temporary registration for moodle+R (Early use request)

The registration method of the course you are taking is

① Courses registered by the Administration Office (automatically registered by the university)  
⇒ **You will be automatically enrolled in the courses on moodle+R as well.**

② Courses you register for via CAMPUS WEB  
(lottery-based courses and regular registration courses)

⇒ **During each course registration period, follow the “Temporary registration” instructions on the next page to add yourself to the courses on moodle+R.**

⇒ **Do not forget to register for the course on CAMPUS WEB!**

**\*Adding courses to moodle+R by “Temporary registration” is NOT course registration. Course registrations must be done on CAMPUS WEB.**

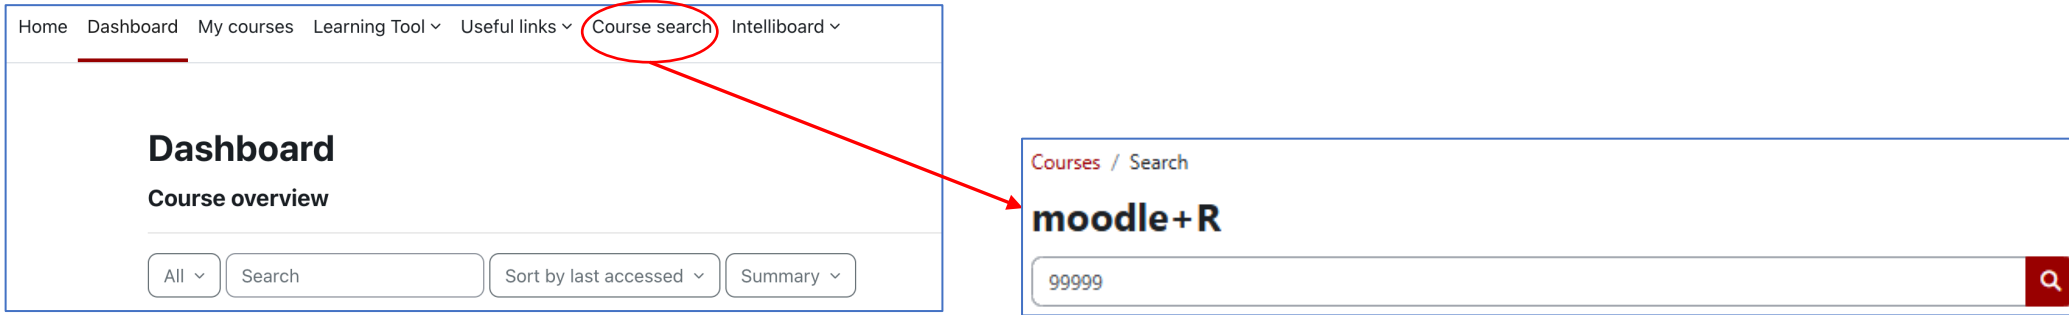

\* Even if you add courses to moodle+R by “Temporary registration,” if you end up not taking those courses, they will be automatically deleted from moodle+R as well.

\* “Temporary registration” will not be available once the registration period is over.

# Temporary registration for moodle+R (Early use request)

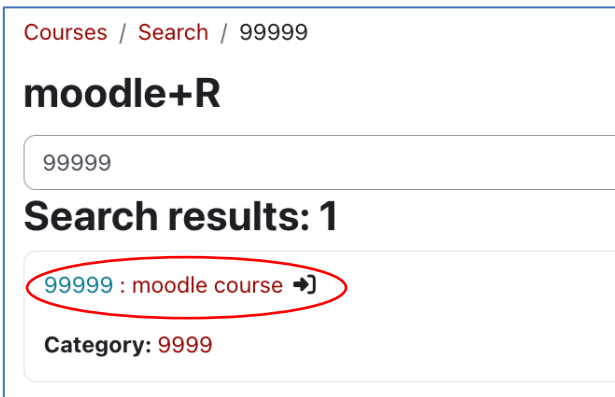

For lottery-based courses and regular registration courses, you can make temporary registration (Early use request) to add yourself to the courses on moodle+R during each course registration period.

1. Log in to moodle+R, go to the search screen from “Course search” at the top of the dashboard, and search for courses by course code.

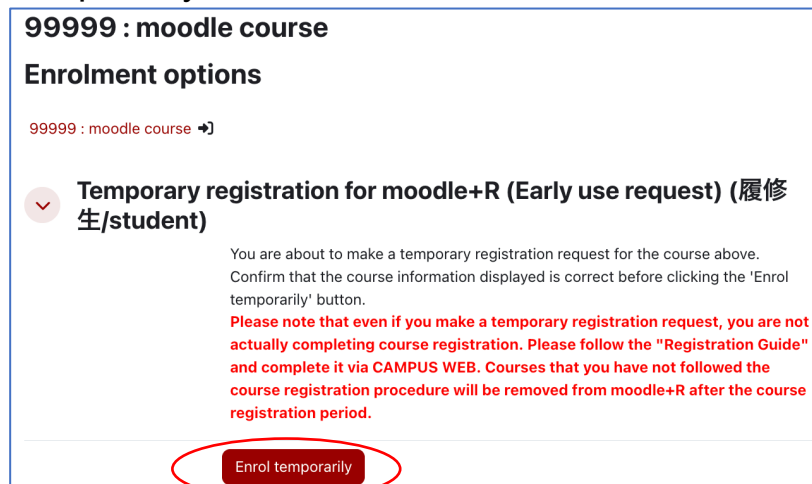

The screenshot shows the moodle+R dashboard with a navigation menu at the top: Home, Dashboard, My courses, Learning Tool, Useful links, Course search (circled in red), and Intelliboard. Below the menu is a 'Dashboard' section with 'Course overview' and search filters. A red arrow points from the 'Course search' link to a search results page titled 'Courses / Search' with 'moodle+R' and a search input field containing '99999'.

2. Select the relevant course from the search results

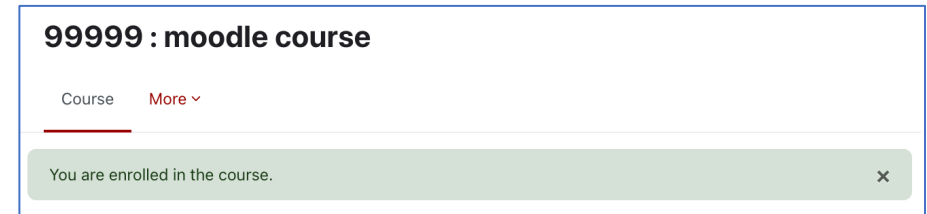

The screenshot shows the search results page for 'moodle+R' with the search input field containing '99999'. Below the search bar, it says 'Search results: 1' and lists '99999 : moodle course' with a right-pointing arrow, which is circled in red. The category is listed as '9999'.

3. Add yourself to the course by pressing “Enroll temporarily”

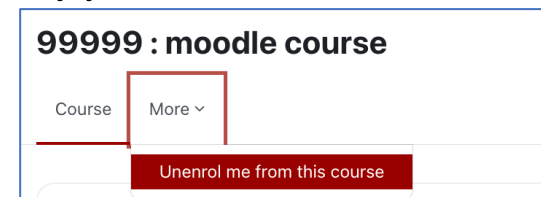

The screenshot shows the course page for '99999 : moodle course' under 'Enrolment options'. It lists '99999 : moodle course' with a right-pointing arrow. Below it is a section for 'Temporary registration for moodle+R (Early use request) (履修生/student)' with a red warning message: 'Please note that even if you make a temporary registration request, you are not actually completing course registration. Please follow the "Registration Guide" and complete it via CAMPUS WEB. Courses that you have not followed the course registration procedure will be removed from moodle+R after the course registration period.' At the bottom, the 'Enrol temporarily' button is circled in red.

4. You are enrolled in the course

The screenshot shows the course page for '99999 : moodle course' with a green notification bar at the top that says 'You are enrolled in the course.' with a close button (X).

5. You can withdraw your temporary registration by yourself.

The screenshot shows the course page for '99999 : moodle course' with a 'Course' dropdown menu and a 'More' dropdown menu. Below them is a red button that says 'Unenrol me from this course'.

# Temporary registration for moodle+R (Early use request)
