- 6.Schedule

# 1 . about this scholarship

---

This scholarship is provided as financial support for initiatives that embody the desire to learn and take on challenges in a group, leading to the personal growth of students in Ritsumeikan University.

This scholarship is funded by donations from members of the university's alumni association.

Message from Daisaku Kadokawa, President of the Ritsumeikan University Alumni Association

*Your "challenges" will undoubtedly make you stronger. They will pave the way for the future. I am convinced that Ritsumeikan's challenges will become challenges for Japan's future. Ritsumeikan University Alumni Association supports all of you who take on challenges and carve out a new future.*

# 1. about this scholarship

I was able to connect with various students and alumni!

Exchanging opinions with students who are challenging themselves towards different goals and objectives broadened my horizons.

Having a platform to present our achievements contributed to my personal growth.

# 1 . about this scholarship

---

## Grant Amounts:

- New Groups: Annual amounts of ¥150,000, ¥300,000, or ¥500,000  
(applicable for first-time applications from 2021 onwards)
- Continuing Groups: Annual amount of ¥150,000 (applicable from 2024 onwards)

## Use of the Grant:

The grant period is limited to activities from April 2025 to the end of March 2026.

You are required to submit a list of expenses to our office by the end of February 2026. If there is any remaining balance of the grant, it must be returned to the office. While detailed receipts are generally not required, for expenses with unclear purposes, proof of expenditure may be requested. Therefore, please keep all receipts properly.

## 2. Application Requirements

### ◆ Eligibility Criteria

The group must consist of at least three regular students enrolled in undergraduate or graduate programs (including first or second-year students in master's programs, doctoral programs, or professional degree programs) at Ritsumeikan University. The eligibility at the time of the grant must be for students who are enrolled or studying abroad.

- \* It is desirable that the group consists of students from various faculties, graduate schools, and academic years.
- \* The three key positions (representative, vice-representative, and treasurer) must be filled by undergraduate or graduate students of our university.
- \* The group must have a recommendation from a full-time faculty member (with no fixed term) of our university.

◆ Please select a recommender who can provide guidance and advice in your daily activities.

\* Groups affiliated with the student association or other groups recognized by the Dean of Student Affairs (such as faculty project groups) are not eligible.

\* Groups formed for regular classes (such as regular seminars or independent seminars) are not eligible.

## 3. Selection Points

---

### ◆ Documents (Alignment with Purpose)

- Whether the activities contribute to the 17 Sustainable Development Goals (SDGs).
- Whether the activities are voluntary extracurricular activities conducted by a community of undergraduate or graduate students of our university.
- Whether the objectives of the activities are clear, specific, and feasible.

### ◆ Interview (Selection Criteria)

- Specificity and feasibility of the plan
- Clarity of the activity objectives
- Prospects for social contribution of the activity outcomes
- Activity achievements
- Measures and feasibility to address issues identified from past activities
- Items 4 and 5 apply only to groups submitting a continuous application.

## 4. Number of Accepted Applications and Examples of Accepted Cases

---

Saturday, October 18	Interim report meeting @Kyoto Kokusai Kaikan
Saturday, February 21 (2026)	Poster Session @Suzaku campus

# Tips for writing an application

---

- Whether it can be interpreted as "necessary expenses" for achieving the goal.
- The difference between equipment and consumables.

Is there consistency between the 'assessable expense items' stipulated in the application guidelines and the 'application details'?"

# Tips for writing an application

- The goals and objectives of the activity are clearly stated
- There is a feasible plan outlined to achieve the goals
- The use of the grant funds is aligned with the core purpose

By thoroughly preparing your application documents, you will have ample time during the interview selection process to convey your vision, objectives, and action plans. Please share your thoughts on solving the challenges!

If you have any questions, please contact [mana-com@st.ritsumeai.ac.jp](mailto:mana-com@st.ritsumeai.ac.jp).

When sending an email, please include 'Future Scholarship' in the subject line and provide the following information in the body of the email: ①Student ID number ②Name ③University email address.
