

## Discontinuation of manaba+R and Transition to RITSUMEIKAN STUDENT PORTAL

To all undergraduate and graduate students

All class support and university announcements have been provided through “manaba+R”. However, “manaba+R” will end at the end of AY 2025. Starting February 17, 2026, the system will be divided into “RITSUMEIKAN STUDENT PORTAL” and “moodle+R.

RITSUMEIKAN STUDENT PORTAL is the official portal site that allows you to check the necessary information and complete various procedures related to university life for Ritsumeikan University students. For detailed information on the features, please refer to [here](#).

Course materials, quizzes, and report assignments will be submitted via [moodle+R](#).

Please note that while you can log in to manaba+R until March 31, 2026, notifications and the undergraduate student/graduate student pages will migrate to the “RITSUMEIKAN STUDENT PORTAL” after February 17, 2026.

※ However, only for the announcement of graduation and program completion results for the Fall 2025 semester and related information, notifications will be sent via manaba+R. Students whose graduation or program completion results will be announced on Wednesday, March 4, 2026, or Friday, March 13, 2026, must check the notifications on manaba+R on the day of the result announcement.
