How I learned foreign languages When I was a student /

学生時代どのように外国語を学習したか

I often spoke in English with my friends and used it when writing my school assignments. I also enjoyed watching English TV series, which helped me improve my listening skills and learn natural expressions.

A message to students learning foreign languages /外国語を学ぶ学生へのメッセージ

Learning a second language takes a lot of time, so it is important to focus on the process and enjoy the journey of learning something new rather than worrying too much about progress.
