The tri-campus shuttle bus service will operate as follows.

1. Procedures for Riding the Shuttle Bus During the Fall Semester

To use the inter-campus shuttle bus, you must make a reservation and pay the fare in advance via the LINE Mini App.

Please note that you will not be allowed to board the bus if you have not made a reservation.

① Add the Official LINE Account as a Friend

Please add the Shuttle Bus Official LINE Account as a friend.

② Register for the Service

You must register only the first time you use the service. Please verify your account using your university email address and enter the required information.

③ Reserve the bus you'll be taking

Select the route, date, and bus you want to take, then make your reservation. You can check seat availability in the app.

④ Pay the fee

After reviewing your reservation details, please complete the payment via PayPay. Your reservation will be finalized once the payment is complete.

⑤ Check Reservation Details

After completing your reservation, please check the details in your reservation history or the reservation confirmation email.

⑥ Go to the boarding area

Please arrive at the boarding area well before the departure time.

Precautions for Use

You cannot board the bus unless your reservation is complete.

You cannot make a reservation for a fully booked bus.

If you are no longer able to ride, please cancel your reservation immediately.

You cannot board or cancel a bus that has already departed.

Please check the app for information on delays and service cancellations.
