WELCOME TO NATURE MASTERCLASSES

Use this guide to set up your *Nature Masterclasses* account and start learning using the online course in Scientific Writing and Publishing. Please ensure you are **connected to your institution's internet or Wi-Fi** and are within the registered IP range. If you are off-campus, please make sure you are connected remotely. After registration, the website will remember your connection to your institution's internet for 6 months, enabling you to access the course with any internet connection for 6 months.

HOW TO ACCESS NATURE MASTERCLASSES

Step 1.

Please go to <https://masterclasses.nature.com/> and select the Register icon on the top right.

Step 2.

Enter your email, set a password, and select the Register button.

After clicking 'register', please check your inbox for an email to confirm your registration. The email sender is 'onlineservice@springernature.com'.

Step 3.

A message will prompt you to check your email inbox.

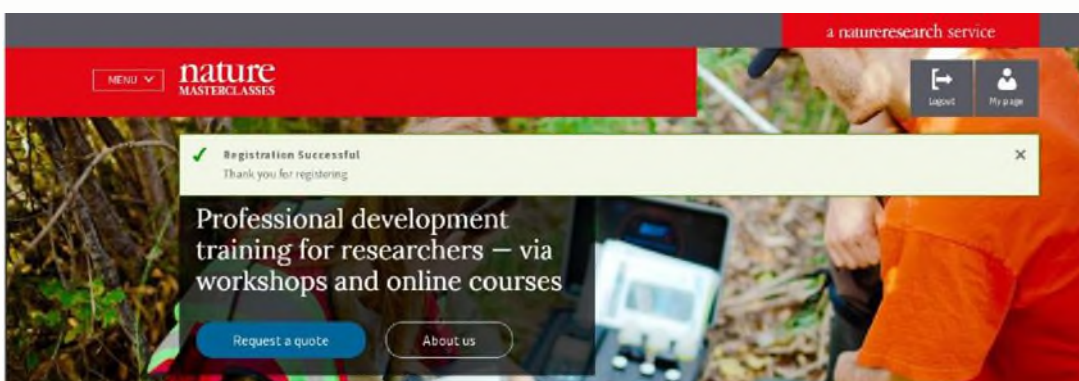

You should have an email from Online Services. Please click on the confirmation link in the email.

Once you have clicked “Confirm registration now”, you will be re-directed to the Nature Masterclasses site.

Please logout once and login back again in order to proceed to the courses.

Step 4.

You can now navigate to the course. Accessing the course can be done in two ways: either direct from the homepage (by scrolling down the page to the list of courses):

Step 5.

Select the part of the course you would like to start with. How you move through the course is completely up to you. Some people prefer a logical procession and start from the top. Others prefer to dip in and out of modules.

Step 7.

As a final step of you logging in for the first time, you will be asked to complete your profile before proceeding to the course. The profile page will come up when you start your first module for the first time. This step only needs to be completed once. On further visits, when you click on a module, you'll be taken straight into the course.

FINAL STEP: Simply complete your profile to gain instant access to the course
