

nature Masterclasses

2021

3/1 Mon.

3/3 Wed.

3/4 Thu.

Nature Masterclasses is a webinar/online workshop that offers useful tips about how to best present research findings in a scientific paper, with practical examples in an interactive manner. Individual advising on your paper abstract must be a great plus for your academic career.

Join us to brush up your writing skills and boost up your international profile, learning the viewpoints from top tier journal editors.

Schedule

※Participants will be able to access recordings of the two webinars for 30 days after the sessions have taken place and will also receive a watermarked copy of the slide presentations.

Monday 1 March	Webinar on scientific writing (5:00pm ~ 7:30pm)
Wednesday 3 March	Abstract review (5:00pm ~ 7:30pm) 8-minute slot will be assigned to each participant in advance.
Thursday 4 March	Publishing Webinar on publishing (5:00pm ~ 7:30pm)

Platform: GoToWebinar (possible to participate on a browser)

Eligibility: Researchers affiliated with Ritsumeikan University (including Senior Researcher, doctoral student (in the latter half period))

*All classes will be held in English
