

To New Students,

Kinugasa Campus is actively working to create an environmentally friendly campus (achieving the SDGs). As part of this effort, based on Kyoto City's "Shimatsu no Kokoro Ordinance," we are responsible for the separation of garbage on campus. Each person's awareness of waste separation makes a significant difference. We appreciate your cooperation.

* "Shimatsu-no-Kokoro" means simplicity and frugality, which coming from feelings of gratitude toward lives, resources and producers.
